

Enigma I.T (UK) Limited

Terms and Conditions For the Supply of Goods and Services

1 Introduction and Contract Formation

- 1.1** Unless otherwise agreed in writing by Enigma I.T (UK), these Terms and Conditions (as revised or replaced under Condition 1.8) apply to all goods and services supplied by Enigma I.T (UK) to the exclusion of any other terms and conditions. That exclusion applies to any terms and conditions proposed by the Customer or included in any purchase order issued by the Customer.
- 1.2** Enigma I.T (UK) is a limited company registered in England under number 06747538. Its registered office is at 3 Marine Crescent, Great Yarmouth, Norfolk, NR30 4ER. Its VAT registration number is GB981 3923 94
- 1.3** Following a request from a prospective Customer to provide goods or services, Enigma I.T (UK) normally issues a quotation. That quotation is open to acceptance by the prospective Customer for 30 days after its date.
- 1.4** If the Customer accepts Enigma I.T (UK) quotation within that 30 day period, a contract between the Customer and Enigma I.T (UK) will be formed for the supply of the goods and services listed in that quotation and, unless otherwise agreed in writing by Enigma I.T (UK), that contract will be subject to these Terms and Conditions.
- 1.5** If the Customer: asks Enigma I.T (UK) to proceed to supply any of the goods and services listed in a quotation; gives Enigma I.T (UK) delivery instructions for any goods or services; or issues any purchase order for any goods or services, the Customer will be deemed to have accepted Enigma I.T (UK) quotation.
- 1.6** If a prospective Customer does not accept Enigma I.T (UK) quotation within that 30 day period, but later purports to accept it, the purported acceptance will be an offer to treat. If a prospective Customer places an order with Enigma I.T (UK) without Enigma I.T (UK) first having issued a quotation, that order will be an offer to treat. In either of those circumstances a contract will only come into existence if and when Enigma I.T (UK) accepts the Customer's offer. Enigma I.T (UK) may decline the Customer's offer as Enigma I.T (UK) sees fit.
- 1.7** Each offer made by the Customer and accepted by Enigma I.T (UK) and each quotation issued by Enigma I.T (UK) and accepted by the Customer will form a separate contract.
- 1.8** Enigma I.T (UK) may revise these Terms and Conditions at any time by publishing new or revised Terms and Conditions on its website. If a quotation for any goods and services is accepted by the Customer after the new or revised Terms and Conditions have been published on Enigma I.T (UK) website, those new or revised Terms and Conditions will apply to the supply of those goods and services.
- 1.9** If the contract for the supply of any Service is renewed or extended beyond the Initial Term, Enigma I.T (UK) Terms and Conditions in force at the time of renewal or extension will apply to the supply of that Service after the end of the Initial Term.
- 1.10** If there is any conflict or inconsistency between these Terms and Conditions and any Enigma I.T (UK) quotation, the quotation will prevail; if there is any inconsistency between these Terms and Conditions and any other content on Enigma I.T (UK) website, these Terms and Conditions will prevail.
